Dear Pauline,

As we are nearing campaign season, we would like to remind candidates that all political signs need to be kept out of County right-of-ways. If any political signs are found in County right-of-ways, the signs will be removed and can be picked up at the Stillwater County Road and Bridge Department Monday thru Thursday between the hours of 8:00 a.m. and 5:00 pm. These confiscated signs will be held for 10 working days and then disposed of.

Administrative Rules of Montana:

18.6.246 Political Signs

- (1) Signs promoting political candidates or issues shall be placed on private property only and cannot be placed without the permission of the property owner.
- (2) Political signs shall not:
  - (a) be placed in the public right-of-way or on public property;
  - (b) be attached on public right-of-way fences;
  - (c) obstruct the view of motor vehicle operators or create a traffic hazard;
  - (d) be located within 500 feet of an intersection at grade along a primary highway, or within 500 feet of an interchange or rest area on the interstate highway system as measured from the beginning of the pavement widening for the interchange;
  - (e) be erected or maintained prior to 90 days before the applicable election.

Your cooperation with this matter is greatly appreciated. We wish all candidates the best of luck in their campaign.

Sincerely,

Kenneth C. Kissler
